- 4 INTEREST COMPUTATION**
Interest at the average of the prime rates of the following banks, DBS, OCBC, and UOB, prevailing on the first day of each quarter or at such other rates as may be determined from time to time will be chargeable on the Loan after graduation. Borrowers are to take note of the interest commencement date upon graduation as the University does not inform borrowers of their respective interest commencement date. For Borrowers (excluding medical or dental students) who graduate at the end of the following Semester, interest will be chargeable with effect from the following dates:
- | <u>Graduation</u> | <u>Interest chargeable with effect from</u> |
|-------------------|---|

- For these purposes, “graduation” shall be deemed to have taken place when the Borrower passes the Final Examination (Main or Re-Examination) or is deemed to have fulfilled all the requirements for the award of the degree. Interest is computed on a monthly rest basis and based on a 365-day year. In the event that the Borrower leaves NUS without completing his/her course of study (“non-completion”) interest will be chargeable with effect from the first day of the month immediately following the month in which notification of such non-completion is given to the Bank.
- 5 VARIATION OF LOAN QUANTUM**
In the event that the Borrower does not require any loan for any particular year or wishes to vary the Loan quantum, he/she shall notify the Bank and NUS in writing no later than 31st May preceding that academic year in question. The Borrower shall only vary the Loan quantum on a yearly basis and shall not vary it on a Semester basis.
- 6 REPAYMENT**
Repayment may be made in one lump sum or by equal monthly instalments comprising both principal and interest and payment of the lump sum or first monthly instalment shall be made not later than 2 years from the date that interest is first chargeable on the Loan or upon securing employment, whichever is earlier, and thereafter payment of the monthly instalments shall be made on the 1st day of each month. The minimum amount repayable is \$100 per month and the repayment period may be extended up to a maximum of 20 years. Any amount which remains outstanding thereafter shall become immediately due and payable.
