

[NEW] We will revise the benefits under the FRANK Credit Card Cashback Programme

On 1 November 2022, we will revise the benefits under the FRANK Credit Card Cashback Programme. Here are the details:

- Revised cashback rates for the FX cashback and SGD categories: 8% in cashback of up to S\$25 a month can be earned when you make foreign currency transactions, as well as online and contactless mobile transactions (e.g. Apple Pay, Samsung Pay and FitbitPay) in SGD.
- A new green cashback category: Earn an extra 2% in cashback – up to S\$25 a month – when you shop at selected green merchants. This means you can earn as much as 10% in cashback for the above categories. The list of selected green merchants may be found in the revised Terms and Conditions which we have linked at the bottom of this notice.
- Monthly cashback to go up: The cashback that can be earned in a month will go up from S\$80 to S\$100. However, you must spend at least S\$800 – instead of S\$600 – in a month to qualify.
